PETITION UNDER 37 C.F.R. §1.181 TO CORRECT FILING DATE OF
APPLICATION IN THE U.S. PATENT AND TRADEMARK OFFICE RECORDS

Sir:

Pursuant to 37 C.F.R. §1.181, patentees respectfully petition the Director to correct the filing date of U.S. Patent Application No. 09/336,266 (the '266 application) in the Office's records. The '266 application serves as a priority application for U.S. Patent Application No. 13/107,802, which is currently pending. The '266 application was filed on June 18, 1999, but the Office's Patent Application Information Retrieval (PAIR)

system incorrectly lists the filing date for the application as June 14, 1999. Applicants hereby request that the Office's records be updated to reflect the correct filing date.

Applicants do not believe that this particular situation has been specifically provided for in the regulations. Pursuant to 37 C.F.R. §1.182, this petition is therefore accompanied by the petition fee set forth in 37 C.F.R. §1.17(f).

Factual Background

As noted above, the '266 application was filed on June 18, 1999. The Office date-stamped a return postcard with the correct filing date, but the Filing Receipt issued in the application on July 16, 1999 recited an incorrect filing date, namely June 14, 1999. Applicants filed a Request for Corrected Filing Receipt on February 19, 2003, together with an Amendment and Reply to Final Office Action. The amended claims were subsequently allowed, but the Request for Corrected Filing Receipt was apparently not acted on. The application thus issued as U.S. Patent No. 6,608,060 (the '060 patent) on August 19, 2003 with the incorrect filing date on its face.

On March 17, 2006, patentees and assignee, Vertex Pharmaceuticals, Inc., filed a Request for Certificate of Correction Under 37 C.F.R. §1.322 in connection with the '060 patent. See Attachment 1. The Request included a copy of the date-stamped return postcard from the original application as Exhibit 1, a copy of the February 19, 2003 Request for Corrected Filing Receipt as Exhibit 2, and a copy of the date-stamped return postcard from the Request for Corrected Filing Receipt as Exhibit 3. On November 28, 2006, the Director issued a Certificate of Correction that corrected the

filing date of the '060 patent by substituting the correct June 18, 1999 filing date for the incorrect June 14, 1999 filing date on the face of the patent. See Attachment 2. The Office's electronic records were apparently not updated to reflect the correct filing date, however, as the PAIR system continues to list the incorrect filing date in the application data for the '266 application/ '060 patent.

Conclusion

Applicants request that the Director consider the above information and update the Office's records to reflect the correct June 18, 1999 filing date for the '266 application.

Respectfully submitted,

/David A. Roise/

REQUEST FOR CERTIFICATE OF
CORRECTION UNDER 37 C.F.R. §1.322

Sir:

This is to request a Certificate of Correction under 37 C.F.R. § 1.322 in the above-identified patent. Patentees and assignee (Vertex Pharmaceuticals, Inc.) have enclosed a Certificate of Correction (Form PTO/SB/44) in duplicate, listing an error that has been found in the above-identified patent. The listed error is believed to be the responsibility of the United States Patent and Trademark Office ("USPTO"). Accordingly, patentees and assignee respectfully request that the USPTO issue a Certificate of Correction.

Patentees and assignee request correction of the filing date listed in item 22 on the cover page of the issued patent. Patentees had filed the above-identified application on June 18, 1999. The USPTO date stamped and mailed the return postcard indicating receipt of the application. A copy of the return postcard is enclosed herewith as Exhibit 1. The Filing Receipt, however, incorrectly recited the filing date of the application as June 14, 1999. Patentees had filed a Request for Corrected Filing Receipt ("the Request") on February 19, 2003. A copy of the Request is enclosed herewith as Exhibit 2. The USPTO again date stamped and mailed the return postcard indicating receipt of the Request. A copy of the return postcard is enclosed herewith as Exhibit 3. The USPTO, however, did not issue a Corrected Filing Receipt, and the patent issued with the incorrect June 14, 1999 filing date. Thus, the failure to list the correct filing date in the issued patent is a USPTO error.

The requested correction does not constitute new matter or require reexamination or additional search. As the listed error is believed to be the responsibility of the USPTO, no fee is believed to be required in connection with this Request. However, should it be determined that a fee is due, the Commissioner is hereby authorized to charge any fee due, or to credit any overpayment to Deposit Account No. 06-1075, Order No. (003602-0003). A duplicate copy of this Request is enclosed herewith.

REQUEST FOR CORRECTED FILING RECEIPT

Sir:

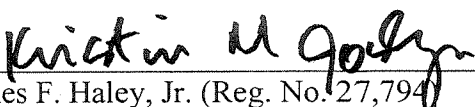

Applicants request that a Corrected Filing Receipt be issued in the above-identified provisional application. The Filing Receipt incorrectly recites the filing date of the application – June 18, 1999. The Filing Receipt erroneously lists the filing date as June 14, 1999. Accordingly, "June 14, 1999" should be amended to recite "June 18, 1999".

In support of this Request, applicants have enclosed a copy of the postcard date stamped by the United States Patent and Trademark Office (Exhibit "2"), listing the

filing date as June 18, 1999. Applicants have also enclosed a copy of the Filing Receipt and noted the corrections thereon (Exhibit "3").

Accordingly, applicants respectfully request that the Patent and Trademark Office issue a corrected Filing Receipt reciting the correct filing date of June 18, 1999. The error in the Filing Receipt is believed to be the responsibility of the United States Patent and Trademark Office. If for any reason the error is deemed to be the responsibility of applicants, the Commissioner is hereby authorized to charge payment of any fee due in connection with this Request to Deposit Account No. 06-1075. A duplicate copy of this Request is enclosed herewith.
